The University Writing Center

Rhetoric Roundtable Committee

2018
RC

Join the Rhetoric & Composition Program for two days of professionalization in the field as we welcome three prominent scholars to our campus. The 2018 Institute represents a chance to reflect upon our practices within the classroom as we consider how we can continue to best serve the needs of students at Appalachian State University. We hope you will set aside time to engage in critical conversations about pedagogy, technology in the classroom, and the important role of reflection for student writers.
